Mrs. Susan S. Satchfield Dies After Ten Days' Illness.

NO DANCING ON EXCURSION

Methodists Put Their Stamp of Disapproval Upon It—Funeral of Mrs. Taylor.

Manchester Bureau, Times-Dispatch, 112 Hull Street.

Mrs. Susanne S. Satchfield, who for the last ten days had been seriously ill at the residence of her grandson, Mr. William Martin, No. 1311 Porter Street, died yesterday afternoon at 1 o'clock.

The funeral will be conducted from Meade Memorial Church at 1:30 o'clock this afternoon. The remains will be taken to Petersburg, arrangements having been made with the Virginia Passenger and Power Company for a special car, which will leave Hull Street and Petersburg Avenue at 2 o'clock. The following gentlemen will act as pall-bearers: Messrs. J. A. Shelly, Henry Walton, William Jewett, John W. Archer, H. W. Owen and M. J. Moore.

No Dancing on Excursion.

Concerning the report in one of the afternoon papers that there will be music and dancing on the moonlight excursion to-night to Dutch Gap, it was authoritatively denied last night that there would be any dancing. This form of pastime is strictly against the rules of the Methodist Church, and it will not be countenanced anywhere or in any form.

The excursion is given under the auspices of Fairbairn Street Baptist Church and the Central Methodist Church, and a large crowd will probably go, as these excursions are generally a great attraction to people, especially to the young folks.

The delivery is scheduled to begin on Friday morning, June 1st.

At noon to-day Messrs. Augustine Royall and Company will offer for sale at auction forty valuable suburban lots near Forest Hill Park. The funeral of John A. Purcell, the seven-months-old infant of Mr. and Mrs. William H. Purcell, who died Sunday morning at 11 o'clock in the home of his parents in Swanboro, took place from the home yesterday afternoon at 4 o'clock. The funeral services were conducted by Rev. C. O. Drs. E. B. McCluer, G. B. Strickler, L. A. Phillips, R. A. Lapsley and J. J. Fix, who attended the General Assembly of the Presbyterian Church in Greenville, S. Pratt has resigned the pastorate of Hoge Memorial Presbyterian Church, of this city, and has gone to visit relatives in Culpeper county. In the autumn he will go to Princeton Seminary, Princeton, N. J., to take a post-graduate course. It is probable that the Rev. Mr. Tilden Scherer, who is one of the recently graduated class of the Union Theological Seminary, will take charge of the church, though his acceptance is subject to the decision of the Abingdon Presbytery.

East Hanover Presbytery will hold an adjourned meeting in the chapel of the Presbyterian publishing house Monday morning, June 4th. At 1 o'clock the Sunday school will then be examined for license.

S. S. INSTITUTE.

Important and Interesting Meeting Held Last Night.

The annual meeting of the Henrico Sunday School Institute of the Episcopal Church was held in the lecture room of the Henrico County High School, Sunday evening, May 28th. The institute is a school for the training of Sunday school teachers, and the city were represented.

The president, Dr. Edward McCarthy, made an address, embodying a report of the successful work of its incumbency of two years. The report of the secretary, Mr. Robert B. Anderson, was read, showing the progress and encouraging facts, which showed that the interest in the work by church people in Richmond and Henrico county has been growing.

The Rev. Dr. A. L. Phillips, of the Presbyterian Board of Publication, by special invitation, addressed the meeting. His speech was of that peculiarly attractive character which is needed to interest, and its end was more than met.

The Richmond Anti-Saloon League was fully organized at Smithfield Hall with the following officers:

President, Rev. H. P. Atkins; Vice-Presidents, Prof. F. W. Boutwell, Prof. G. M. Smith, Mr. C. S. Taylor, Mr. A. B. Cheatem, Mr. J. P. Richardson and Mr. J. C. Harvey; Secretary, Mr. W. S. Beasley; Treasurer, Dr. D. G. Wilson.

Thirty-five members were enrolled and all but four consented to do anything for the league when called upon. There came up some discussion as to whether the league should be organized in the strict sense of the word. The duty is simply to combat with the traffic in liquor. It is proposed to the open saloon. There were several other questions which aroused much discussion. A committee was appointed to prepare a constitution and to fix the date of the next meeting, with later on, the time being left to the Executive Committee.

The league adjourned at 10 o'clock after some opposition.

ROCKINGHAM BOARD STATE BOARD OF EDUCATION

State Board of Education Arranges Course of Study to Be Pursued.

URGES STUDY OF SPANISH

Governor and Attorney-General Speak of Need for Knowledge of This Language.

The State Board of Education had a lengthy and interesting session last night at 9 o'clock in the Capitol, at which some important questions were discussed and several changes made in the schedule for the high school courses.

Members of the board present were: Governor Swanson, Attorney-General William A. Anderson, Superintendent J. D. Eggleston, Jr., Dr. Lydon G. Tyler, Superintendent W. A. Howles, of Staunton, and Superintendent B. C. Glass, of Dr. C. W. Kent, of the University of Virginia, had an engagement in Alabama, and was unable to be present. Captain J. T. West is confined to his bed in Norfolk, because of a recent operation performed on his eye.

Senator George B. Koezel, of Rockingham, appeared before the board, and made an informal and very interesting statement as to high school conditions in his county. He brought to the board the petition of the Rockingham people for high school aid for eleven years, and declared that these schools would have an average attendance of more than twenty. Senator Koezel offered an elaborate array of figures to show that an equitable division of the high school fund would give Rockingham from twelve hundred to fifteen hundred dollars. He said that Rockingham was the only county in the State which had a high school fund, and that the necessity of paying better salaries to teachers, in order to command high talent more extensively, and, second, the advantage of high school education.

On the latter point he stated that it had come to the point that his people, who were ambitious for the advancement of their children, were obliged either to send them to a boarding school or to move their families to a town or city, unless they could have rural high schools. He declared that Rockingham proposed to pay its high school teachers from seventy to eighty dollars per month.

The board rescinded the resolution adopted at its last meeting to the effect that any school that accepts the high school appropriation shall admit pupils from any part of the State on the same conditions as the pupils from the district in which the school is located, thus leaving this matter to the local boards.

Standard Adopted.

The board then went into a discussion of the high school requirements, and the first standard adopted was that of a school whose course of study conforms to the following standard shall be called a high school, and shall be known as a high school of the first, second or third grade, according to the number of years of study required. The standard was adopted by a vote of 10 to 2.

will always stand him in good stead. And, too, it is very easily acquired."

Attorney-General William A. Anderson declared that the future opening of the Panama Canal, and the growing better mutual good feeling between Mexico and the United States, and their inter-lapping common interests would add to the value of the study of Spanish in the high schools.

LOOKING FOR UNCLE.

Youthful Tramp Seeking Transportation to Baltimore.

"I want to get to Baltimore, Md., where I believe I have an uncle. Is there any way that I can get transportation from the city," said John Thompson, an eleven-year-old boy, Sunday afternoon, as he walked into the Second Police Station and confronted some half a dozen of more officers.

The boy said that he had lived in Charleston, S. C., and had beaten his way here on freight trains. He was tired of this, and wanted to get to Baltimore, where he could see his uncle.

He was sent to Police Court yesterday morning, but there was no charge against him. Justice Crutchfield had a long talk with the boy, who is very smart for one of his years, and sent him to Chief of Police Werner, who will keep him here for several days and then send him to Baltimore.

STREET CAR STATIONS.

Don Leavy Ordinance for Them on West Main Street Adopted.

The Street Committee held a lengthy meeting yesterday afternoon. Much of the matter considered related to routine questions of street improvement and the hearing of allegations.

Mr. Don Leavy got through his ordinance requiring the street railway companies to erect and maintain public waiting stations at Laurel and Main Streets and at Harrison and Main. Mr. Leavy has had the matter up for some time and was congratulated upon getting it through. His object is to protect passengers, including women and children, who have to wait at these corners for transfer cars in bad weather.

The committee allowed the Southern Bell Telephone Company to extend their underground circuits and put down conduits wherever they may desire in the city.

Mr. Ben Lange, who conducts a grocery store at No. 825 St. James Street, suffered a broken arm and other bruises yesterday afternoon as a result of a collision between a Lakeside car and the grocery wagon, which he was driving at the time of the accident. There was a general smash-up, and Mr. Lange was driven against the side of the wagon with such force as to snap his arm asunder. The blame in the collision has not been fixed, Mr. Lange claiming that the motorist was in fault, and the latter asserting that the driver should have kept a lookout for the car.

BOARD ADOPTS HEALTH REPORT

(Continued from First Page.)

is fixed at two and the sanitary officers at four.

The amendment of the joint committee allowing the board to employ diagnosticians at per diem compensation was read and opposed by Mr. Reynolds. The amendment was lost.

Mr. Satterfield moved to recommit, and this was rejected by a large majority.

The greatest confusion had prevailed for some time, and the chair reminded the members that they did not know what they were voting on because they were paying no attention.

Mr. Allen got through an amendment providing that the salaries of none of the officials shall be increased during the terms for which they are elected.

Sufficient Salary.

Mr. Mann moved to amend so as to pay the chief health officer \$3,000 instead of \$2,500. Mr. Turpin opposed the change from the chair, and said it was four times as much as the average doctor makes.

Mr. Adams opposed the amendment, and it was lost. He moved to fix the salary of the assistant food inspectors at \$720 each instead of \$600 per year, and this was opposed by Mr. Minor and adopted.

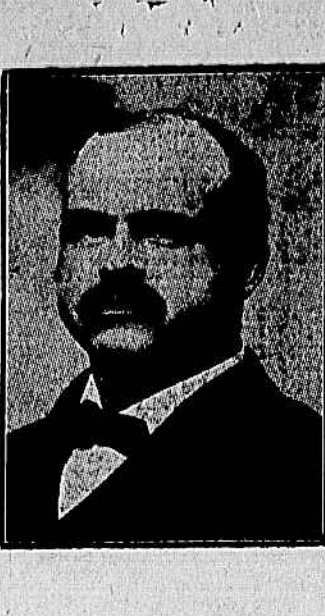

The ordinance as amended was then adopted by the following vote: Ayes—Messrs. Adams, Allen, Bennett, Blair, Burton, Cottrill, Dabney, Gilman, Gunst, Mann, Minor, Reynolds, Seay, George J. W. Washer, Whitteit and Turpin—16.

Noes—Messrs. Satterfield and M. Fill Seay—2.

MYSTIC SHRINERS WILL CELEBRATE

This is One of Their Feast Weeks According to the Calendar.

The Shriners expect to have great times at their twentieth anniversary, to be observed in this city this week, beginning Thursday night. Shriners from all over the State and quite a number from other States will join with Acca Temple in the festivities.

George J. Hooper, the illustrious Potentate, has issued the ukase for the great meeting, and it is an interesting document, reading as follows:

"In this month occurs the greatest of all feasts. Night and day merrymaking and joyous festivals are in full swing. This feast commemorates the birth of Shevva Sapa-Ash and Azub Bel To, twin daughters of the great prophet. It is therefore not fitting that we should neglect their memory, and it is the decree of your illustrious potentate that on the 7th day of the fourth month, Bahh Ul Akfir, Hodge, 1324, translated into the vernacular of the Old Dominion, corresponds with Thursday, May 31, 1906, you assemble at 8 P. M. at your home in Richmond and celebrate your twentieth anniversary."

The illustrious Potentate also says: "All Shriners are not homebodies, but some of them are home less than others; the noble who nearly broke his neck in Charlottesville, getting out of the way of a lightning bug, thinking it was a locomotive, and a certain other noble, who, the oftener a man loses his temper, the more he has of it; there are periods in a man's life when he would rather have a lie told about him than the truth."

Features of the meeting will be a parade of the Shriners Thursday evening and the advancement of about forty novices.
